Greetings from El Salvador from your Bonilla missionaries. We start this report greeting you and wishing you a Merry Christmas and a Happy New Year filled with much encouragement, spiritual strength and power of God to work in His work this 2019 that is near.

We thank each brother, each pastor, missionary and church that during this year 2018 supported us faithfully in prayer and financially. When we see what was accomplished in this year, we see the hands of all of you that faithfully supported us in prayer and financially.

Year 2018 was a year filled with much work in the work in El Salvador and thanks to God we were able to work in each one of the projects. I want to close this year because next report will be given in the month of January informing you of the blessings of the month of December.

1. 2 brethren were baptized, Brother Mejia and Sister Tatiana
2. I had the opportunity to preach in a school of more than 400 people.
3. My children, Jose Luis finished the school year and went to 9th grade and my daughter finished her studies and passed to 3rd grade.
4. My daughter Karla Gabriela graduated from Bachelor and will be going to study music in Mexico in August 2019 in the church of San Luis Potosi if God permits.
5. This year I had the opportunity to preach in a second school where more than 1,000 people was presented the plan of salvation and I made the calling and many received Christ.
6. Last month, were able to open the holes for construction for the columns in total we needed 16 columns. We received an offering and we fabricated 4 columns. WE received another offering and we fabricated another 4 columns. On December 4, we got another offering with what we are planning to get 3 more columns. We still need 5 more columns for the children's building.
7. This year we gather funds for Christmas for the children. It will be given a gift for each child and a breakfast for each one of them. There will be a breakfast just for teams and a dinner for the adults on December 16. We thank the brethren that supported this cause.
8. We hope in God that next year we can start to pay a property where we will build a dormitory for the brethren that are preparing to serve the God and sports court. This property costs \$24,000 dollars which we ask that God can unite more churches to support the work in El Salvador. Starting in January, we will be paying \$500 dollars a month for the property.
