MISSIONARIES IN NICARAGUA

Missionary Report - November 2017

Beloved Pastors and Churches:

I thank you for taking the time to read this humble letter, that is a testimony of the grace, love, and the goodness that the Lord poured over us day after day, so we can keep on in His work.

In obedience to the command of our Saviour, the brethren Juan, Carlos, Jeymi, Aniuska and Obed were baptized and added to the church. It was a blessing to have a medical team to the Comarca El Eden, about 3.5 km of our church and provide medical attention to children and adults. Almost 200 people were helped. It was a unique experience. I ask that you help us pray so soon we can open a children's kitchen in this same community and assist more than 120 children.

Before our anniversary, we realize an evangelistic campaign and all the church was active passing out more than 60,000 tracts, winning almost 40 souls and preaching each night the message of salvation. We had the privilege to have as guest Pastor Freddy Centeno and his wife, who is realizing an important missionary work with some ethnic tribes in Panama. To mention every marvelous work that the Lord does is unlimited. Hope that you can rejoice with us and keep praying for us.

Prayer requests:

I ask that you take time to pray for us in special for: our own property; transportation for the routes, children's kitchen, Vacation Bible Schools for next year, for the health of my wife Doris, for the vigil at the end of the year, for more leaders and willing brethren to work in the work; for the Marriage Conference, for a vehicle and our own house. I thank you from the bottom of my heart.

Thanks, my beloved, trusting in the Lord to bless your work of love that you realize for His work.
