Dear Brethren,

I greet you in the precious name of Jesus our Lord desiring that you are enjoying His blessings.

This is a report of the work realized in the months of January and February:

Attendance in Sunday School each Sunday – average 48  
Professions of faith – 2  
Children presentation – 1  
Tracts passed out – 2000  
Houses visited – 60 in Somoto and 100 in Palacaguina

Always our programs have been of great blessing. Friends have attended to hear the message of the Word of God. We are giving Bible studies on Tuesday, Friday and Saturday in Somoto and in Palacaguina at 4pm on Thursday and Sundays.

It was a great blessing to attend two Pastoral conferences. One here in Nicaragua, promoted by Pastor Noe Mendoza and the other in Honduras by Brother David Perryman. This encouraged me a lot to keep serving in the work of the Lord.

In the material part, the temple that we are constructing, we are ready to put the iron columns in. We have the iron, sand, blocks but we lack the cement and the labor work. We ask that you include this project in your prayers.

Thank you for the monetary support each month that you send to us. It is for sure of great support for the ministry and the work of the Lord.

Your Brother in Christ,

Carlos Hernandez
