TAKING THE MESSAGE OF HOPE TO BLACK AMERICA AND  
A MINISTRY OF CHURCH PLANTING IN BLACK COMMUNITIES

---

October 27, 2011

Dear Pastor and Congregation,

Greetings in the matchless name of our Lord Jesus Christ. God has been so good to us in Palm Coast, Florida. Thank you for your prayers and support, and burden for Black America. God has been blessing our soul winning efforts. We have had numerous saved and baptized. We thank God for the growth of the ministry. Please pray for our church van, it is time for new brakes and registration. Wanda and I have been picking up people in our vehicles until the van can get back on the road. We are still meeting at Wanda's mother's house which is a perfect fishing spot; because she lives right in the heart of the black community.

I would like to thank Bethel Baptist Church in Jacksonville, Florida, for donating 50 brand new King James 1611 Bibles to our ministry. This was truly a blessing to our ministry. Please continue to pray for our health. I am now considered a type 2 diabetic which requires medication daily, and Wanda has high blood pressure, which also requires two types of medication daily. With our medication we thank God we can stabilize it. Please continue to pray for Wanda's mother, she is now taking medication for her liver disease and she has to take it for a complete year to decrease the potential risk of liver cancer. The doctor said so far the medication is working and the disease seems to be going away. God is such a good God! Amen! Wanda is still teaching at Harvest Baptist Academy and now she is attending college night classes for Medical Billing and Coding. Ashley is doing great in college. She is living with her brother Marcus and they attend Brother Tommy Steeles church in Concord, North Carolina.

Please continue to pray for Daytona Beach and Palm Coast. It seems that crack cocaine has filtrated into percent of the homes. It will only be the gospel of Jesus Christ that will deliver our loved ones and friends. Please pray for my youngest brother Durell, I have always tried to encourage him, in the things of Christ. He received Christ during a revival we had in our church, and then slowly got back on crack cocaine. He is now serving five years of Federal time in prison for trying to rob Wachovia Bank. I have always stated that crack cocaine will steal a person's identity. You do not even recognize them or the habits they have. So please pray for us as we go spread the gospel of Jesus Christ with these hurting souls.

Again we do not take your prayers, burden, and support for granted. Thank you for your love for Black America. Please continue to pray for my family and me.

**Prayer Requests:**

- Souls to be saved
- Members to grow in Christ

In Christ,

Bro. Bernard Carter
