Dear pastor and church:

We rejoice to be able to share the great blessing of our God.

The time passed quickly. Our stay in Mexico finished and I could say that we were blessed in a great way. We were able to see our family and had a good time with them in the time of Christmas and End of Year, but also we were blessed to know other pastors and what they are doing for God. We learned a lot. We were challenged to do more for God. I take opportunity to thank each pastor that had well to receive us in their churches and let us present our ministry. Please know that we take you in our heart and we will be present in our prayers. Thanks for every and all of your attentions.

Also thanks to God because in the time that we stayed in Mexico we were able to win souls and take visitors to church. I ask your prayers for Ernesto and Manuel, two of the young people that we won for Christ. That the Lord can guide them in a good church in where they can congregate.

As well, I ask prayer for us. IN this year that initiate, we have new goals in the personal as well in the congregation. We desire that in this year, God let us see more people saved, baptized and added to the church, as well we can help more in the missionary work.

Thanks my brethren for holding the rope.

Please help us pray, we need to change of house. May the Lord help us provide so we can.

God bless you,  
Uriel Castro
