Oct-March 2018

Dear Supporting Friends,

Greetings from Grenada the Land of Spice, where everything is nice, in Jesus Christ.

Indeed, the season has a reason. God sent His Son Jesus as a baby and later grew and died on the cross to save us sinners...Luke 1:31 ff and Luke 23:33 ff.

The Holiday season went well. Our Christmas programmed was very successful. One teenager received Christ during our soul winning

Jan...2018...Our old years night service was a blast!!!! Had all the men at church to preach a five minutes sermon. They did a great job. Had some new visitors. There was one after the service profession of faith in Christ. I attended missionary James mission conference in Trinidad. It was very refreshing. Enjoyed soul winning there and led one person to the Lord. Back to the Grenadian task, we spent some time at chocolate city and saw two persons saved. Work on the property continues on the property as we prepare the foundation. One 85 year old lady got saved and she is now attending our Heritage Baptist church. Praise God!!

Feb...2018..The Lord has been good to us in so many ways. The lord used Pastor Gene Rowell to help us finished the payment for Heritage Baptist church in chocolate city. Thank you pastor and members. We have finished the payments for the land, finished legal fees, finished payment to excavate property
We are looking forward raising monies to do the foundation. Cwe, construction for worldwide Evangelism, will come down from the USA to build for us, depending on us doing the foundation. We are at a standstill, due to another challenge that came upon us. The little 10x15 room we are renting without city water and toilet facilities, by the end of we have to move out, Despite difficulties, a young man 23 years of age, listened my radio broadcast, called me up for a visit. I shared the gospel with him and he got saved. We picked him up for church the following Sunday and he is coming since. We are meeting for worship in homes. We are trying to raise \$10,000 USD to build a temporary wooden building for worship

March...2018..We are moving straight ahead with teaching the key board. Sister Lalita Richardson is the music teacher. We are trying to teach all our churches planted ...good, godly Christian music. The tent ministry is doing well. We are now helping pastor Jeremy Scott with 4 weeks of tent revival at the new church he started. We have seen 4 persons saved. Pray for us, we are meeting in the yard at one neighbor for Sunday worship, but when rain falls ,we are unable to have church.

The Lord bless. As soon as I can photocopy the Heritage Baptist church document, I will send to our mission board so my supporting churches will have an update. You can call our mission board Director and President, or Field Director.

In His Vineyard,
The Celestines
