May—Sept 2017

Dear Supporting Friends,

Greetings from Grenada, the Land of spice, where everything is nice in Jesus Christ. Praise God from whom all blessings flow. The Lord has impressed my heart in recent months as I visit the villages round about to see the many unfortunate children in need of physical, social and most of all, spiritual help. My mind reflected on my pure religion as mentioned in James 1:27...."Pure religion and undefiled before God and the Father is this; To visit the fatherless" etc However, the practice of pure religion is to visit the fatherless (orphans) and widows and to keep ourselves unspotted from the world. This certainly apply to visiting all who have need within a community. With this in mind, the burden for establishing an orphanage to reach out to all the orphans in chocolate city.

May.....2017

God has been good to us. We have seen five persons saved this month. We just completed a few weeks on the Divine Art of soul winning. Many folk were challenged and many stepped up to be used of God. Work on the Heritage Ind Baptist Church continues. Lots of rain so its difficult to keep up with the grass

June.....2017

We give the praise and thanks for the many unsaved persons we came across. As a result, we have led two persons to the Lord. A very large family of nine were going through some hard times in their lives. God used me to take care of the need of food and as a result, their spiritual needs were met, they got saved. Praise the Lord!!!!

I left to be in the USA for the purpose of raising funds to finish the payment for lands to build the church building and orphanage in chocolate city

July.....2017

I spent almost the whole month in the USA. We had the last \$50,000.00 ecd, our money. That is \$18,000.00 US. By the grace of God, I was able to raise nearly \$8,000.00 US. During that period, my soul winning team back home led four persons to Christ. I was able to attend our annual missions jubilee. It was a blessing. Some very good preaching, eating and fellowship. Thank the Lord for our missions board president, directors and staff for the hard

work done. I look forward for our Caribbean Jubilee in Barbados and then to our mission jubilee in 2018. I returned home August 1st.

August....2017

God be praised. We had lots of activities at Heritage Baptist and Maranatha Baptist. We have seen eight persons saved in Chocolate City. We did lots of cleaning on the church grounds. Ten saved at two separate open air meetings. One elderly lady 80 yrs got saved. Our Sunday school is growing due to an approach to meet parents of the children one on one

September....2017

I had to run back to the USA out of desperation to get the land paid off. That trip gave me some new churches, but I guess they were getting to know me. While there. my father back home fell ill, so i had to cut it, changed my flight and flew back home. On my arrival, he was in a critical state and thought that I will never get a chance to talk to or with him. However after one week he began to get better. My dad is ninety years old. Two persons got saved ...one thirty the other is seventy nine

October.....2017

God is good. We have seen the Lord at work. I was able to preach at some special meetings and at open air meetings held by Happyhill Ind. Baptist Church. Many souls were saved

November....2017

We give God Thanks and Praise for finally supplying the rest of the monies to pay off the land. Thank you pastor Gene Rowell and your wonderful members for helping us with the rest of the money. We will with the lawyer on the 24th of Nov. We lead two persons to the Lord in Chocolate City this week.
