Hello Praying Friends and Churches,

Greetings in the name of the LORD JESUS CHRIST. It has been a good while since you have heard from me. I hope all is going well with you. We are still fighting the devil while trying to serve the LORD. It saddens our heart that we had to close the Girl's Home down. Carolyn's health got so bad that she couldn't handle the girls anymore. That was our heart and life. But God is so good, He is sending us back into the same ministry that we were in before God led us to start NEW HOPE RANCH GIRL'S HOME.

What a Saviour, Amen. God is leading us back into the on hands ministry to help churches with their building needs. There are so many small churches that need a carpenter's hand, but they just don't have the money to get the work done. **NEHEMIAH 2:20** says, *"Therefore we his servants will arise and build."*

I am a carpenter by trade. I have builders license in the state of South Carolina. Would you please pray for us and would you please consider supporting us with the support that you previously sent New Hope Ranch Girl's Home in care of Troy Wayne Chapman.
