Greetings Brethren from St. Lucia in the name of our Saviour Jesus Christ

The Lord has been adding many souls to the Faith Baptist Church and our present church building has become too small. In this regard, one year ago, we began to draw plans for the extension of the church. The plan includes an extension of present church edifice, a conference room, Sunday school rooms, Youth development centre, Offices and also a pre-school.

I am pleased to inform you that the plan has finally been approved by the Government of St. Lucia approval board and we are now ready to extend as God provides the funds. If you feel that the Lord would have you to contribute to this Ministry we would be extremely grateful. We welcome your prayers, preaching in our church in St. Lucia such as revivals, crusades, a group from your church visiting and ministering to us or in any other way, please contact the Fundamental Baptist Home Mission Board and or contact me, Pastor Emmanuel Charles at the following address:

November 18th 2018, was children Sunday at our church. We preached, gave meals and gifts to the many children that filled the church. Attach are some photos of our children Sunday service.

Much thanks for your prayers and support. Our goal is to preach the gospel, trusting the Lord to save souls and to edify the body of Christ. Please continue to pray for us at Faith Baptist Church in St. Lucia. I will also keep you posted about our extension progress.

In His Service,

.....
