Dear Brethren in the Lord,

Happy new year to all. We certainly hope that this year will be filled with the blessings of the Lord.

We want to thank you for your faithfulness in praying for and supporting us in 2011. I especially want to thank you for your prayers on behalf of my wife who has given birth to a healthy baby boy. Some of you may be aware of her many complications during the pregnancy; but thank the Lord it is all in the past now.

Last year was a very difficult one for the school ministry. We saw a decrease in student enrollment because many are still having a difficult time financially. Numbers have begun to increase again as of the latter part of the year. We are still planning to do some expansion work to increase our capacity to accommodate more children.

The Church and other related ministries are going well by God's grace. We have a total of seven individuals who are up for church membership. Some of these have been baptized already. We are presently conducting baptismal classes for those who have not been baptized. Please pray that all these will continue faithfully in the work of the Lord.

We praise the Lord for His blessings on our family. Although we really struggled financially in 2011, the Lord has always showed up just when we needed him most. Please pray that in 2012 our support level will rise as we continue to serve fulltime in the work of the Church Ministry.

"2Co 12:9 And he said unto me, My grace is sufficient for thee: for my strength is made perfect in weakness. Most gladly therefore will I rather glory in my infirmities, that the power of Christ may rest upon me." Through the mountain top and valley experiences of this New Year, let us all remember to trust in the Lord and His all-sustaining grace.

May God Bless you all in your different areas of service.

In Christian Service,

David Archibald,  
Senior Pastor/Director
