Dear Brethren,

First of all I want to thank you for your help economically and spiritually. You have been a great blessing on our life. Please keep going on the Lord's way knowing that you are always in our thoughts and prayers. Thank you for all your support here in the Lord's work.

Since last October I have had to fill in at our church preaching, running every service and every activity of it, having Sunday school classes, Wednesday night services, and visitation service on Saturdays, because my pastor has been out of the country. I am his assistance so I help him in the church anytime he is out. We had in this month about 48 people being saved and about 30 guests coming to the church. Please pray for our church so God will talk to our hearts to take more care about talking to others about the Gospel. Pray for me and especially for my family to keep serving the Lord as we want to serve him.

At the children's home we worked on the playground for the kids and we also keep helping my parents in every need they have there. We also have been working in our church remodeling getting two Sunday school rooms and working on the new roof. Please continue to pray for the children's home and our church to get every plan we have in it and may the Lord continue giving us strength to go in His way.

Help us to pray for our special needs like, strength and intelligence to do a better work, talking to others of JESUS and serving as Sunday school teachers; also to provide us everything we need. Help us to pray for a new work our pastor has opened in La Paz where my wife serves as a teacher to the kids.

Maybe sometime you can come see our duty here but we always will be thankful with you for supporting us economically. We are praying, working and thinking of you because you are part of our family.

With Love in Christ,

Daniel Zavala and Family
