Dear Friends, Prayer Partners and Supporters,

Thank you for your continual prayers, concern and support given to me and the work of the Lord at Faith Baptist Church in St. Lucia. Your prayers and support have carried me through the past years and months enabling me to keep on keeping on.

The Lord has been working with us at Faith Baptist Church as we preach and spread the Gospel through various means, such as visitation, crusades, children's programmes and youth ministries.

We give thanks to God for using us to reach the lost and edify the saints. Many people are attending church services and lives are captured from the powers of darkness to the glorious Gospel of Liberty.

In the month of March we baptized 26 souls. In November we baptized another 13 souls. There are also new converts who would like to be baptized in the near future. Many of our members have lost loved ones through death, we pray that God would comfort them.

St. Lucia has suffered various disasters during the last two years, such as drought, floods and Hurricane Tomas in 2010 that decimated the country and killed many people. But through all this, God has been with us, and has used these disasters to draw people to him.

Do continue to pray for me and my wife. My wife's knees are constantly paining her. Thank you ever so much.

Yours in His Service,

Pastor Emmanuel Charles
