Dear Brethren,

I greet you brethren in the precious name of our Lord Jesus Christ, confident that you are enjoying the blessings of God that He gives us each day. The present letter has the objective to share the ministry and what God is doing in our church. In the photo, I appear with my wife, Jeaneth Roxana Silva Aguilar; in the month of May 15, we will have our first wedding anniversary. We have the desire that God would use us in His work and being able to work more with families because God has blessed with teens and young teens. These are the strength of the hand of the work but the consistency with give the families.

With respect of the church, we are growing in adults and couples. We are asking for your prayers for them so they can stay in the path of the Lord. I ask a special prayer for Ronal and Rebeca that in these days her second baby will be born. For Sister Guadalupe that in spite of her age keeps congregating. She suffers of her vision and the cold affects her but she is faithful. With respect of the teens and young teens, our program we have on Saturday and in the last months we had an average of 30; of those 20% make a ministry and 50% are faithful and 30% are new. My desire is these teens and young teens dedicate their lives for God, change their conduct in their families and form values and principles that please God.

We have two classes for children. The first class is "SAMUEL" which are for children of 1st, 2nd and 3rd grade of school, the second class is "JOSIAH" which are children of 4th, 5th and 6th grade of school. A class for young teens called "DANIEL" which are children from 1st through 5th grade of high school. A class for teens called "JOSEPH" and the adults called "ABRAHAM". These three last classes are together due to lack of space because in the house where the church is being borrowed by a man of our church and only has one space and the classes of the children are made in double and triple. We are praying to God for material for the other classes of the teens and young teens; it is a very real need so their classes can be made with exclusive themes to their moral and spiritual needs in a more direct and productive way.

Like in all ministries, there are needs and we are praying to God for pews because the ones we have are not in a good shape. With the church we made a fund for two pews but we need at least five more pews. Please help us to pray that God will bless us with a lot of 400m2. We trust in your support praying to God for these materials.

I pray that the love of God fill you with many blessings in your ministries.

In Christ,

Eduardo Martin Cutipa
