February, 2012

Dear Brethren:

It is a joy to write you and let you know how God is working in a wonderful way within us. We cannot say more than that He has been more than good with us.

The church is already finished, thanks to God. Everything is beautiful. God provided in a wonderful way. He provided to buy the property, for the complete construction, for 100 chairs, for the sound system and for the piano. Glory to God for His mercy! God put in the heart of a Mexican Christian brother to pay all this. We recognize that we are not worthy of this and we know that He makes these things, not for us but in spite of us.

We had the Christmas service in the new auditorium and thanks to God more than 60 new persons came for the first time, in which 16 of them made a profession of faith. In the special services of dedication, we saw the church filled; there were a lot of people visiting. In these special services, God gave me the opportunity to baptize my sons, Rodrigo and Alejandro. Thanks to God. In total, there were 8 baptized. After the dedication services, we had two new families and two teens come congregating. In February we had our marriage dinner and thanks to God a new couple visited us.

We ask that you pray for the plans that we have in the future. We want to give classes of reading and writing with the Word of God because in this place many children don't go to school due to the lack of financial resources and they don't know how to read and write as well as their parents. Please pray so God can guide us through all this and that He can be the one that He will work in the hearts of them to accept the invitation.

Thanks brethren to pray for us for His great love to the work here in Puebla. We recognize that all this will not be possible without brethren that ask the Father for us. God bless you and recompense you.

Prayer requests:

- For the power of God.
- For souls saved and be discipled.
- For the plans of the school.
- For a van for the church route.

God bless you in a great way!

With Love in Christ,

The Martinez Family
