February, 2012

Dear Brethren,

Brethren, the time is near and for that reason we make an effort in the church to preach the Gospel of our Lord Jesus Christ house by house, in each neighborhood of our city and in some towns where we can penetrate with the help of God and the collaboration of each of you in your prayers, offerings, that with great sacrifice you give each month. We appreciate and admire the love in which you serve the Lord abstaining from many things that you need to help us. May God shed His grace on your families, jobs, and the church that you congregate and in many more areas of your life.

This past February 19, we celebrated our fifth anniversary as an independent fundamental church. We invited many friends that don't know Christ to share with them the message of salvation which is the most important for us that we know Him. We also shared with them the food that the church prepared for 350 persons in which we had almost 300. Glory to God for it!

I ask that you help us pray for the Lord to provide for the resources because our vision is to install an emission radio. In our country the emission radio or radio ministries only preach prosperity Gospel and the music is not Christian; the music adores a woman or the interpretation of it. As Christians we should do better so we can represent the right way our Lord Jesus Christ. We are trusting the Lord for the resources to start an appropriate radio ministry in our country.

Blessings, beloved brethren, until later.

In Christ,

Pastor Eduardo Reyes
