January-February, 2012

Dear Friends in Christ,

We greet you once again from beautiful Anguilla in Jesus' name.

My, my, time is moving so fast that I hope you realize that we are in the middle of February 2012. It also means that each of us is very fast approaching our flight to the land "where they count not time by years." Our redemption is truly drawing near.

We did not have an "Old Year" night service last year, but we did have a great New Year's Sunday. Both morning and evening were well attended.

When we were young there were some things we just couldn't get. But as we age and have slowed down, I think we're beginning to understand. The following is an idea of our regular church schedule; Therese has the Juniors in Sunday school; ladies fellowship; organist; and special renditions practice. I teach the adult Sunday school class (currently 1 John); Romans on Sunday mornings; Sunday nights (a mini series on "Things done before and from the Foundation of the World"); Wednesdays record radio broadcasts (Colossians); Thursdays Prayer and Bible study (The Book of Psalms). We know you will understand when I say we are not tired of the work, just tired in the work. As you know, the grace of God keeps us going. We are praying about a time of "coming apart" this year, Lord willing. We would need someone to fill in for us.

You have been very kind in your prayers and financial support. Some of you went further with special Christmas gifts. We thank you very much; God bless you all.

Yours in Christ,

S. Erald Edwards and Therese
