Dear Pastor and Church,

It is a blessing to see what God is doing with us and to let you know what God is letting you do to be part in our ministry. Thanks for your prayers and support.

We are in the first level of construction of our building for the church here in Puerto Escondido, Oaxaca, Mexico. Here are some photos hoping that you can see them. Some brethren from other nearby churches helped me on the day of the drainage. We did it this Saturday. We lack 20,000 pesos to take it to the outside. The second level will be the posts and the third level will be the plate. So you can keep praying for us. Your prayers and support has been of great blessing to us. Thank you. If you know of someone that can help, please pass this information.

Prayer requests:

- Provisions to finish the building before the rain season that starts in May.
- For our anniversary conference, saved and baptized, March 29-31.
- For God to give us 25 new persons this year, that will join the church.
- For new routes this year and provisions to run them.
- For support for workers to reach their goals.
- For complete health for my wife and for my son that has been with fever and infection.

In Christ,
Elfego Santos
