Dear Co-Workers,

Greetings in this New Year to each of you and praying that in this year each of you will have success in all your goals, projects, decisions, and especially in the reaching of souls. In these last three months, we have worked with the strength that God has given us.

HOME CHURCH

In the beginning of October, we got together with some pastors with Brother David Perryman and other servants of the Lord. It was of motivation to keep working in the Work that God has entrusted us. We also realized an activity where we won some people for Christ.

In the month of November, we participated in the Sword of the Lord conference where we were motivated to be involved in reaching 1,000,000,000 families in Central America. Also we were in Suchitoto and in Cojutepeque preaching the Word. We also had a baptism of a teen of the church.

In December, we had three days of evangelistic preaching. We preached in Cojutepeque for a week. Some brethren made decisions and made goals for the New Year. We also gave toys to some children in Santa Tecla. We had Christmas dinner with some families of the church and made the decision to serve the Lord more in soul winning.
