Beloved we always remember you in our prayers for your spiritual and physical health, your protection and your ministries. I would like to inform you a little about the work here in El Salvador in Santa Tecla. Beloved in these past months, we have continued knocking at doors here in the city as well in the areas of Las Mesas and El Limon. Thanks to God we have had support of some pastors in evangelism and other activities. We have seen people received Christ and some of them have visited us, but they haven't taken the step of baptisms but we keep giving them follow up.

Also I want to you inform you about the health of my wife because last month, she got detected a tumor in her stomach. Thanks to God on October 31 she got operated and she took out the tumor. Now we are waiting for the result of the biopsy to be negative to make sure she doesn't have cancer, of which we ask your prayers.

My beloved, I thank God for your prayers and financial support. I always remember you in our prayers.
 God bless you!
