We hope this report is of encouragement to the churches that love us with their prayers and financial support here in Honduras. This year we have a heart that is grateful, many important things have happened in the Ministry of the Church and the family and we want to share some of them.

### **Church:**

We have done several jobs in the galley where we congregate and there is almost no moisture entering.

### **Music Ministry King David:**

Last year, 36 young people who started their musical studies, only graduated 20 and this year 2018, 51 young people started and we pray to the Lord that everyone can finish their courses.

### **Christian School:**

God has given me the opportunity for a whole year to help in the teaching and character formation of the children and youth of the Sampedrana Christian School. Thank God we have won about 3 young people and several children for Christ. Two camps I did in February for children as for young people and about 4 received Christ.

### **Preaching:**

God continues to use me in different cities to preach about family, music and especially for youth leadership formation in these months on about 6 occasions. I am praying for the opportunities and invitations that I have for the rest of this year, help me to pray that at the preaching God will use his word with power.

### **Family:**

Thank God for the birth of my first granddaughter Elena in October 2017 and the way God has supplied to meet the needs of his parents. Also in this month of May my second granddaughter Lucia was born, which has brought a lot of joy and blessing. As my two daughters live in Monterrey, Mexico. I have not yet been able to meet them and carry them in my arms, but I hope that God will allow me to realize this dream by the middle of this year. The other thing is that my third daughter Juliet married this year and likewise also married outside the country. And since she is the last single, we are being alone with my wife. Pray that God will help us to pass through this new stage with goodness and that we can serve the Lord much more.

### **Prayer Requests:**

May God provide for a site for the church, May God supply for the operation of my granddaughter Elena in the operation of one of her kidneys, May God supply for the wedding of my daughter Juliet in North Carolina and for the Flight tickets for both my wife and me.
