Dear Brethren,

Thanks brothers for all the help you provide so that the work progresses here in San Pedro Sula Honduras.

CHURCH - The Lord has allowed this year 2012 for us to experience a growth in church attendance of 65 to 70 brothers. We are preparing to baptize about three in the month of March. We are praying for an extension of where we meet, because the place is becoming smaller. Help us pray for this project.

MINISTRY OF EVANGELISM - This year we want the church to grow and we have begun the project of house to house evangelism. In the first day a lady received Christ. We also continue preaching in other Baptist churches the gospel of the Lord. Last night at the Baptist Church of Las Brisas another young lady received the Lord. We are also taking in preaching and helping in two public schools that have opened the doors; Vanessa Rayssa School and School of Friendship. I pray for the hundreds of children who hear the gospel this 2012.

KING DAVID MUSICAL MINISTRY (MMKD) - We have 86 young people and 20 Baptist churches involved, constantly coming and going very well in their learning, most of them are already giving their first performances in their respective churches. Yesterday in the Baptist Church Las Brisas, we were blessed to sing congregational hymns led by young people trained by our music ministry. It was an awesome worship, something very beautiful. Right now we are praying to have a larger place of meeting and learning as we have problem with space.

PREACHING - These last three months I have been traveling to preach in various Baptist churches giving the word of God in conferences and many people have come to a closer relationship to Christ and others have been converted. The cost of traveling from one city to another is high. We are with the price of nearly \$5.00 per gallon of gas, but the Lord always supplies, the truth is worth taking the Gospel to every place.

FELLOWSHIP OF PASTORS - The fellowship of Baptist Pastors of Honduras, who presided, had good news this March, as the supreme court declared unconstitutional a law that left us here in Honduras without the status of a church. Our prayer was that God stop this injustice and God answered our request before the government and influence. The law was declared unconstitutional and will be repealed. Please continue to pray for our pastors and churches to continue preaching in the mountains and valleys of the glorious gospel of the Lord freely and without persecution.

PRAYER PETITIONS - Always for \$80,000 for the temple and land. We also need more instruments; pianos, violins, flutes, cellos, bass guitars and so on.

God bless you and thank you.

In Christ,

The Estrada Family
