Dear Co-Laborers in Christ,

Greetings once again in the precious name of our Lord Jesus Christ. We are very grateful for your faithful prayers and encouragement. It would be impossible to carry out the work the Lord has entrusted to us without His help and your support.

During the past two months we have had the opportunity of attending and/or preaching at various conferences in Honduras as well as in Guatemala. The one common denominator we see everywhere is the great need of the Gospel. Sadly many people are depending on themselves, their traditions, or their own abilities to be justified before a Holy God rather than depending on the finished work of our Risen Savior, the Lord Jesus Christ.

Several months ago we wrote about an elderly gentleman named Gustavo. At the age of 80 he repented of his sins and was baptized. This past week he was ushered into the presence of the Lord. In spite of his battle with cancer, he was a constant reflection of the joy of the Lord and continually expressed gratefulness for God's salvation. He only lived five months after accepting Jesus, but was a great testimony during that time.

A total of 12 children and three teenagers have prayed to accept Christ as their Savior in the past two months. One of the little boys is Benjamin, who was only a baby when his parents started bringing him to church. He is now eight. It has been a joy to see him grow in his understanding of the Bible and now his need for God's forgiveness.

We want to thank each of you that have been praying for the group that was injured in the car accident in July. They are well on the way to recovery, and have been able to attend church again. We are so grateful for God's hand of protection!

The Lord continues to use the Trejo family, who are working in the village of Toyos. This past Saturday I had the privilege of marrying one of the new couples there. God has been doing exciting things!

We haven't been able to move the church to our new property yet. We are continuing to wait on the Lord and His provision for the remainder of the funds needed.

We are so very grateful for your prayers. Know that we also pray for you and your families and your ministries. May the Lord continue to richly bless each of you!

Sincerely,

Napoleon & Esther Flores
