Report months of June thru August

Greetings from Huehuetenango, Guatemala, for being part of your missionary Ignacio Gaspar Gaspar.

On June 3 of the present year the volcano of fire was in action and killed many people, people were screaming asking for help. We saw many people with needs. First their need to have their relationship with God. Second their physical needs. WE took food to many of them but before we preached the Gospel and many responded and they understood of their condition. Many were saved among children and adults. Glory to God. Thanks for you that supported us. Thanks for your prayers. Thanks for your contribution.

Pro-property \$90,000 which is 120 payments of \$750:

We are praying to God for 6 years to have 4 cords of properties. Since 2012, we have been leasing for \$3,000 quetzales. With the 6 years we have already payed in leasing \$216,000 quetzales in dollar \$31,000 average during these 6 long years. We would have already our own property, but now in this year it was presented the great opportunity that we can obtain our property with payments of minimum of \$750 dollars monthly for 120 payments and that will be a total amount of \$90,000 dollars.

My dear pastors and churches, keep leasing is not wise. During these long 6 years, we have been praying for the opportunity to obtain property for the work of our great God. The moment has come. Our goal now is 120 payments of \$750 dollars. We are going to struggle but our goal is 3 years and if possible before 3 years we can get this amount of \$90,000 dollars.

Pleas I invite you to be part in praying in contributing. Also to visit us so you can see with your own eyes the grace that is about to happen in Huehuetenango.

Vision: Missionary house, Institute, Auditorium, Sunday School rooms and orphanage.

Mission: We are committed to preach the sound doctrine, winning souls, preparing the next generation to be pastors, missionaries and evangelists and a church that believes to take the Gospel to all the world.

Please be part with us and see how a great privilege of investing toward eternity.

Thanks for your valuable time in seeing my report and helping us pray and considering a support of pro-property time.

May God bless you.
