We give always thanks to God for all of you making memories of you in our prayers and that the peace and the blessing of God always govern in your lives.

Beloved I write to you to inform you what our God is doing in our country and also in our churches. In the church of Tosca, God is faithful that the brethren keep motivated. There is a young couple is added to the church. I ask prayers for them. The attendance of the children continue always growing. We have about 65 children in Sunday School. I ask your prayers for a financial need. In the church we lack the installation of the electrical light. It has a cost of \$7,000 lempiras or about \$300 dollars. I ask your prayers so God can provide. In the church of the mountain, Politron, brethren we keep serving the Lord our God. He is faithful. There are new children that are attending church.

Always praying to finish the construction in the mountain. The budget is \$30,000 lempiras or \$1,500 dollars. I ask your prayers. Very soon we will have 4 baptisms in the mountain.

In the work of Sonaguera, who Pastor Josue Andrade used to pastor, glory to the Lord, is growing much. In the month of August, we had 2 weddings, very beautiful. Thanks to the Lord everything done wonderful. God has manifested gloriously. Thanks for your prayers.

Thanks for praying for the ministry of the Bibles. This month we will go to give more than 1,100 Bibles. If God permits, we will be in neighborhoods, places where the radio ministry reaches. We always continue on reaching souls for Christ.

Thank you for you faithful financial support. Thank you much, my family is grateful for what you are doing through your support for our country. Pray for some needs that we have as a family. The children are growing and we need something more bigger to live. There is a property that is selling for \$120,000 lempiras. I ask your prayers so God can provide for a vehicle for the family. The only motorcycle that I have only fits my wife and me. My children stay behind. I ask that you pray so God can provide a vehicle. It will be of much importance for the family.

Thank you much that the peace and the love govern you always in your homes. We love you much in the love of the Lord.
