**" And she shall bring forth a son, and thou shall call his name Jesus; for he shall save his people from their sins." [Matt. 1:21].**

**Dear fellow workers,**

**Greetings in Jesus' name; trust this meets you in good health, and we hope you had an enjoyable Christmas and are looking forward for a prosperous new year [in the will of the Lord]. We do join with you in thanking God for providing our daily needs, for His mercies and compassions which fail not, they are new every morning, great is His faithfulness. We are also grateful to you, who, during the year have made sacrifices both in your prayers and financial support assisting us in our ministry. Thanks, and God bless you all.**

**As mentioned earlier, in September we handed over the church I was leading to a young family, Mr. and Mrs. Nathlie Joseph and their three children. Presently they are doing well, and we solicit your prayers as we seek to encourage these young minds in the work of the Lord.**

**We are about to move into another area to re-start a ministry where one of our pastors vacated a church we started in 2013. After a brief time of rest and recuperation, we are now involved in cleaning and repairs and also visitation, with the help of the Lord we expect to start services early in the coming year. Please pray for us.**

**With regards to the 2020 Island jubilee, we are hoping that this would be held in St. Vincent, this is not fully confirmed, as I am awaiting the decision of another island that has indicated some interest in hosting it. However, if you are interested in coming still make your preparations.**

**You would recall that I mentioned I fell and damaged my left knee in May; it has retarded my movement slightly, but I thank the Lord that I am still getting around with my work. Thanks for your prayers.**

**God bless all of you, as we all look forward for God's guidance and blessing and continued friendship for the new year.**
