Dear Faithful Prayer Partners and supporters,

Feb 25, 2012

I trust you are all having a great year so far. Much has happened since our last prayer letter. I have been hurting in my chest for quite a while now but had not been to the Doctor because of no insurance. On December the 30th I went to the emergency room where they kept me overnight for observation and tests the doctors have ruled out a heart attack and the stress test the following week came back fine. Praise God. They told me I have high Cholesterol, under active Thyroid and my Acid reflux is back. So these two months have been months of opportunity to trust the Lord. I am taking some medication have had to change my diet and add exercise to my schedule. We are still waiting on all the hospital bills and hoping to get them to help us set up a payment plan. Please keep us lifted up as we are trying to take care of these changes and feeling better than we were last month TO GOD BE GLORY.

As for the ministry we had the opportunity to **lead our first soul to the Lord on Jan 1 at Harven Crouse Detention center in Lincolnton**. Please pray for Lemanuel he asked God to save him in the service there. God is still saving souls in 2012. We are seeing a good response in the two jails we are now serving in. on January 25 we were at the Gaston jail and as we were giving the invitation one of the men was called to leave this happens so we were not to bothered except it happened right at the invitation. **Three men made professions of faith in the Lord there that day**. We closed the service and began making our way back through the jail to the outside. Just as we were about to go through the doors a man behind us said **"preacher that message was for me"**. Brother Eric Walton and I looked back but I did not recognize the man. Brother Eric did (this was the man that had been called out of our cell block at the close of the service) and we began to talk with him about his soul **we walked out to our cars and lead him to the Lord in the parking lot of the Jail please pray for Antwan**. That was a first for us but a blessing as well. He hurried up to get his street clothes on to catch up to us to talk. I told bro Eric so much for Jail house religion in his case he was already out but the message was still with him. Only God alone knows what he is doing in the lives of these men.

In the other jail and prison services we have been in so far this year we have seen 36 more men and 2 teenage boys make professions of faith in the Lord. Fruit that Abounds to your account. I am so blessed to be able to be your missionary to the jails and prisons. Thank you for every prayer you pray and every dollar you give so that we can keep going. Do pray with us concerning our needed support we are still trying to raise the additional funds without leaving the jail and prison services. We do have several missions' conferences to be in this year. If you have room for another missionary would please pray about adding us to your missions program this year.

We are now doing our annual training at several of the units in N.C. We are blessed to have some new help as well as our regular men that have been faithful for several years we are blessed to have some good men to help Brother Jason Kersh and I try to reach these men with the hope of the gospel. In the next two month we have our regular services as well as two revivals please pray for a harvest of souls.

In closing let me ask you to keep us in prayer for our health, financial needs at this time, safety as we travel and power as we preach that the Lost will get saved and the saved will get revived.

In His Service;

Joe & Becky Hendricks
