March, 2012

Dear Pastors,

By this letter, I send you with all respect and affection the missionary report of these last months. First of all, I ask you for forgiveness for not been able to write to you in the first months of the present year 2012.

Now that I have the opportunity, I want to let you know the wonders that God is doing in Oaxaca, Mexico. In spite of the economic problems that Mexico is going through and the whole world, God doesn't stop working through the Gospel. Here we are having many blessings. One of them for the grace of God we don't fit in the temple of the church. Every Sunday we have visitors that are saved and baptized and at the same time many of them are added to the church and our strategy is just: Jeremiah 6:16 and Philippians 4:9 and this gives much result. We are opening more missions in different parts and in towns and mountains of the state.

In the month of February, I give you the news of us sending to the mission field our Brother Neftali and his wife Rosa. A young couple with their children, Isaac, Elizabeth and Areli, that departed to the National Republic of Haiti to do the work of God. I ask that you pray for them.

The years, months, and weeks of investment in prayer and financially that you have given to the mission work has not been in vain in Oaxaca. We are seeing the missionary fruits departing to other states of our country, in our own state, and to other countries and to the end of the earth. (Acts 1:8). And not only that, in our institute there are graduating men and women to serve the Lord. Equipped with very good doctrine and very good and sound music, the missionaries and pastors want to establish more works. It will be easier for them because the way has been outlined and now we have different pastors around and it is a blessing that you have made possible to support missions. Thanks for supporting us as your missionaries in the southern part of Mexico in the state of Oaxaca. There is much more to do and with your support we can get farther.

Our next project is to expand our temple to a capacity of 800 people and buy a property that is found in front of the temple of the church. I know that the year 2012 appears to be a year of problems above all financially, but with God there is nothing impossible.

Every week we have souls saved and baptized, programs for personal visitation, bus visitation and the programs of "sowers" and "farmers." God is blessing and will keep prospering.

Pastor Joel Herrera
