Dear Faithful Supporters,

I thank God that nothing is able to separate us from the love of God which is in Christ Jesus our Lord. The New Year is swiftly running on and there is still much to be done as redemption draweth nigh. Thank the Lord for his goodness and for the opportunity we yet have to be labourers in His harvest. It always amazes me to see the operation of God. He always makes a way when there seems to be no way.

I am back in the USA for yet another medical check with my kidney situation; those spots are still on my kidney but there is no change from my last examination in July 2011, so presently I have no procedures. However, I have to be back in the next six months because of the fact that I am operating with one kidney. This is surely working out to be very expensive because I do not have insurance. In all of this God is in control.

We thank the Lord for the privilege and the liberty to preach the Blessed Gospel of Jesus Christ and to see souls birthed into the family of God's Kingdom. We are seeking to reach our nation and beyond for God's Kingdom. It is exciting to see the number of boys and girls that attend Bible club on Saturday afternoon which extends to our Sunday school and Sunday worship time. We are seeking to win all these boys and girls and parents for the Lord Jesus Christ.

We are still in need of a building because we are cramped in our present building. We are trusting the Lord to grant us this urgent favor of a building.

Our Caribbean Jubilee will be hosted in Grenada, April 10th - 17th. We are looking forward to a great time in the Lord. Trust you are planning to join us for this wonderful time in the Lord.

Please remember us in prayer, that the Lord will supply our needs for His glory. God bless.

In His Service,

*Francis Houston*
