PLEASE PRAY FOR THE SANTOS FAMILY MISSIONARIES TO GUATEMALA CENTRAL AMERICA

May 4, 2011

Dear Pastor and Church,

It is a blessing for us to be able again to greet you from Cabañas and desire all the best of our good God over your lives and ministries.

In this last month, the church went through a difficult stage due to the leaving of our Brother Roberto, which was respected and loved much. The brethren showed sadness with his exit because they were used to having him. I explained to them that Brother Roberto was only a voluntary co-laborer in the church and that from the beginning he was very clear that one day he had to leave us and now it has happened. The sadness was felt for a couple weeks but this last Sunday; I heard singing with much joy and hear the preaching with much attention. In the middle of this, they demonstrated great appreciation and manifested their interest as good Christians with the help of God.

The services and the plans of the church keep on and with great encouragement we have collected our monthly offering for the property, while the second promotion of the Bible Institute, which is a group of 15 brethren, continue with their studies with much joy. With my family and with some brethren of Fundamental Baptist Churches of the capital city that travel to co-laborer in the work, we keep working in the edifying of the brethren and in the salvation of the lost souls.

In this last week, in our small missionary trip, we traveled to “San Vicente,” which is town that is located about 15 kilometers of Cabañas. We went soul winning in San Vicente, some were saved and we proved also that here there is no existence of a Independent Fundamental Baptist Church. It was a blessing, in this time, that we were accompanied for soul winning, with Brother Rolando, father of our Sister Julia. It gave me joy to see father and daughter together in the winning of souls. Also to help us was my nephew, Luis Damian, and the small Brother Josue. I ask for your prayers for my other two teen soul winners: Ruben and Ronald, which due to lack of work in Cabañas, on occasion have to accompany their parents to work in other places, and they have to miss church and soul winning with us.

Finally, we ask for your prayers because we need to baptize a new group of brethren before winter but due to conditions of the change of season can make it difficult, because we have advance rains. Please help us keep praying to be able to get our property soon, for more souls saved, for the edifying of the brethren and for the family needs.

We thank you for your precious offerings, with them we wouldn't be able to work in the east of Guatemala. Thanks because we have seen the hand of God in response to your fervent prayers for us.

Your servant in Guatemala,

Pastor Hugo Santos and Family
