Dear Prayer Partners and Supporters,

Let me first greet you with a word of scripture that has been a blessing to me. *“But thou shalt remember the LORD thy God: for it is he that giveth thee power to get wealth,... (Dueteronomy 8:18).*

A few days ago I was in conversation with a gentleman who is not saved. He said to me “Sir, I visited a church Old Year’s Night (New Year’s Eve). That night was testimony time and all of those who stood up to testify spoke of every thing negative. Things were so hard in 2010, etc.” That gentleman said he became so discouraged that he got up and left the service. He said, “Sir in 2010 I had no job yet my family never went hungry. I almost lost my wife to a massive heart attack yet those Christians are complaining.”

Believers, I pray this would not be said of us. Remember our Father owns cattle on a thousand hills and like one fellow said, “he owns the hill as well and can kill one of those cattle and give us half.” **Praise His Holy Name!**

The Ministry:

2011 has started really well for us. Three souls have been saved; two of these are attending church regularly.

The Bible Club:

Our Bible Club Ministry is doing well. The Word of God is truly like a “hammer.” We have been seeing the lives of these little ones being broken and we must praise Him.

Building:

We were asked to remove the pews and benches we have used for years from the building in which we are now meeting. Therefore, we had to comply and bought chairs instead. God is good!

Thanks again for your prayers and financial support during 2010. We must be honest, without it we would be left destitute, so thank you very much.

You were a blessing to us in 2010 and I pray that we were a blessing to you just the same. We are humbly looking forward to a wonderful relationship in 2011. We love you.

In His Service,

Bro. Earl James
