December, 2011

Dear Pastor and Church,

I greet you in the love of Christ, desiring that you are enjoying the rich blessings that only our Heavenly Father and our Lord Jesus Christ, can give us.

Thanks for attending to our letter to be able to inform you and also to give you thanks for supporting us through your missionary offerings because I know that in these days it has been very difficult for our churches financially. We pray for the situation in the U.S.A. because it also affects our brethren.

So we pray together with you and we also ask that you pray for us so we can keep working the work of the Lord that He put us in our responsibility the state of Oaxaca.

I also want to inform you that my wife is stable in her health and the doctor said that she can keep on with her normal life. She will keep with her treatment for two years. So we give thanks with all of our heart because we know that you are praying for this trial that the Lord is letting us go through. (James 1:12)

We also have the challenge to have our fourth anniversary and our third family conference, which will be on January 23 - 25, 2012. Please pray for our anniversary so God can work through it so we can have solid families in our church because there is a lack of it.

Please keep praying for us and the work in San Pedro Pochutla because we have many needs like the construction of our auditorium, the construction for Sunday school rooms, the construction of the baptistery and a restroom.

God bless you and keep praying for us.

For Christ,

Javier Ruiz Family
