Dear Brethren,

May God bless you abundantly and prosper the work for Him that each of you realize. We are happy to share with you some of the blessings that we have received in these months.

We are having average attendances of 40 brethren including children. The Sunday School of children has an average attendance of 25. We have been evangelizing the area of Roma and Filadelfia and thanks to the Lord we have won 27 people with the help of 6 brethren that have already started to share with others the Gospel of salvation. The product of this evangelism in these areas there is two new families that have started to congregate with us.

We keep discipling our brethren. We have two groups of "My Growth in Christ" and one of "One by One." Please help us pray for the spiritual growth of our brethren and for their faithfulness in congregating and in their Bible study. Pray also for the protection of each of us because the delinquency has incremented each day more in this area.

The mission is very motivated for the project of buying the property that is being sold to us for \$80,000.00 Lps. We have already received some donations that makes it close to the value of the property but we still lack a part. We ask for your prayers that the Lord will keep providing until we are able to make the purchase. Thanks to the Lord that some of the brethren have started to serve the Lord and we have a treasurer, a helper in Sunday School and others in evangelism.

We celebrated our first Lord's Supper on August 28 with the brethren that have desired to form membership in this mission and have a plain communion with the Lord. We are planning a get away with the purpose to realize some baptisms because in our area there is not enough water. We are in a project to start services in the area of Roma during the days of the week, at least once a month, because they are very far from us for the purpose of reaching others to Christ.

I ask you to keep praying for the health of Brother Jesus, which has been co-laborer here in the work. We are very grateful with you for your financial support and for your prayers and we pray that the Lord supply each of your needs. II Corinthians 9:10-12

In Christ,
