January 2019

"Remember your Creator in the days of your youth, before the days of adversity come, and the years approach of which you will say, "I find no pleasure in them,"

Dear fellows saints,

Here we are already at the end of the year 2018. I am so joyful to be grateful to the Lord first, to my church at Little Falls, to the FBHM and to all those who are supporting me in my ministry. I thank God for all those who are praying for me and for my family as well as for the Church.

I want to use this time to wish you a Happy New Year. Wishing you every happiness at Christmas and throughout the coming year.

I have much to tell you, but I do not want to use paper and ink. Instead, I hope to visit and talk with you face to face so that our joys may be completed.

For what concerns my church, we thank the Lord because there is less dead people this year than last one. Finances are the great deal in our country these times. Tithes and the offerings are decreasing more and more. Thanks for the support of kind peoples; we have our daily bread; we are thankful to the Lord for their lives.

During the last two months, I have been teaching the books of James and Acts of Apostles. I would like to ask you whether you might be part of my orphans ministry I have started. These orphans are all in the middle school.

Remember also our request concerning the church building land.

May the God our Father bless you abundantly.

Sorry, there is no pictures for this time.
