

PLEASE PRAY FOR THE LAMBERT FAMILY

MISSIONARIES IN GRENADA

February 2017

Dear Supporting Pastors and Friends,

With a New Year beginning, we would want to reflect on all God's Wonderful blessings and your faithful help and support, with God's Grace we say THANK YOU.

Michael, Caroline
Micah, Micaela, MJ AND Mya

We will not dwell on the short-comings and challenges gone. God has brought us through it all. We anticipate his future blessings as we yield ourselves once more to working with God. We know there is nothing too hard to accomplish with him and through him.

Our family is fine as the boys are out to school. Micah has started teaching at a Catholic Secondary School and that has its challenges and MJ is a student at the same school. Little Mya is growing as a weed and coming September she will begin school. We have our hands full.

As of other years January begins a long period of Open Air Street Meetings, although this January is wet, yet plans are to fill the street corners with the Gospel of Christ. At Church there is always room for improvement, more folks needed for Soul Winning, For Bible Study, for Prayer meeting etc. I am happy for what we have but there is more out than in. KEEP PRAYING.

Some funds came in for the half way house but nothing has been done yet construction wise. We will build that house to God's Glory.

Our Church has the opportunity to minister to our nation's young people in Juvenile Detention. The Grand Bacolet Juvenile Rehabilitation and Treatment Centre is opened next door to our church, with about 30 young men and women under the age of 18. We have the opportunity to minister to these for two hours, Tuesdays and Fridays. What an opening to impact these with the message of the gospel without any reservation. It is already going well. We are in need of a few pieces of instruments to teach some music to these troubled teens. USED BOX GUITARS, SMALL KEYBOARDS, BASIC MUSICAL STUFF is needed.

Early December we had a baptism exercise at the beach where we baptized 3 persons. Please continue to Pray for us as we have another baptism scheduled for the end of February. God is indeed Good.

Special thanks to all those who gave and those who helped us to get some good new sound equipment for Church. Its up and running.
A special thank you to those who gave towards Micah's eye glasses, we really appreciated it.
