February 16, 2012

Dear Supporting Friends,

Greetings for the New Year in the Wonderful name of Christ Jesus. There is more to thank God for in our daily lives than the obstacles that show up as mountains. In spite of minor difficulties and satanic attacks, OUR GOD HAS BEEN GOOD. We say a very special thanks to all of you for every gift that you went out of your way to send to us. Thanks, sometimes does not feel like a satisfactory word but when it comes from within it is one of the greatest expressions. So, we heartily say to all THANK YOU.

2012 has started and the Lord is surely on our side. The family is all surviving from a serious cold that is in the Islands. We are gone over the worst already so we continue to say PRAISE THE LORD. The children are in school and doing well.

At church, we continue our drive to reaching and teaching our people for the honor and glory of God. We are doing several Open Air Street Preaching meetings which we hope to continue until the heavy rain season in May or June. Our local Bible classes are doing well as we teach on Monday nights. We want to take the persons who know little and help them to become very strong in the doctrinal things. We started out with 17 students all from our church and hoping to build back to 34 as it once were. By the end of the year we hope to have established here a Bible College setting with a slightly different outlook. PLEASE MAKE THIS A MATTER OF PRAYER. Bible Clubs are being started in various places to reach the children.

Our Caribbean Jubilee is coming up quickly and our churches here on the island are teaming up to make this a success. We are anticipating a great time of encouragement.

PRAY WITH US ABOUT THE FOLLOWING:

1. The Salvation of Souls as we go with the Gospel, soul winning, street preaching and indoor church meetings. Continue Praying for our newest ministry in the Village of Union, where we hold Bible Study every Thursday night.
2. Continuing work on our building and Church facilities.
3. The Deaf Ministry and the need for a worker and Transport.
4. The establishment of a College here.
5. Dr. Dennis Atkinson who is planning on helping us here with the educating of Caribbean Nationals.
6. Our family who it seems the devil wants out, also our daughter who is at Bible College in Puerto Rico.
7. Existing Ministries that need workers.

Do keep us in your prayer as we stand against growing unscriptural trends.

In His Service,  
The Lambert's
