

PLEASE PRAY FOR  
**THE LÓPEZ FAMILY**  
MISSIONARIES TO MEXICO

November and December 2018

God bless you, beloved pastor and church, hoping that you are well - that is our desire and prayer.

We want to give thanks for your faithful support during all the year of 2018. You are a great part in our ministry and we want to give thanks from all of our heart and with the help of God and you we want to do more for the Lord this 2019. The Gospel is being preached in Queretaro. The people are receptive and open to receive the Word. In Christmas, we chose some people with need in the people of Landa and we gave them a small basket of food and took advantage to give them the Gospel. That was our objective. 13 people were saved. Now we have work to give them fellowship and discipleship because in these regions the people here don't know the Word of God. We want to focus not only to win souls but also to disciple them and accomplish the Great Commission.

Our plans for this new year is to establish ourselves in the city of Queretaro. There are more than two million people and only there are 6 churches that have less than 100 members each church. I ask your prayers and support to establish us in the city (downtown). It was cost us a lot but with the help of God and of you we can. The rent for a house is about 6,000 to 8,000 pesos a month. The rent for a good location to preach is about 12,000 to 15,000 pesos a month. Pray so God can provide. Also we want to ask please to keep praying for my wife so God can help here with the Spanish language and also her pregnancy. In the middle of February, we will have our child, God willing.

One more time I ask that you pray for a vehicle because we need to transport and keep taking the Gospel. We appreciate much your help and sincere prayers for your servants, the Lopez family. We always take you before God in our prayers. WE wish you a blessed and fruitful 2019 and thanks for giving to missions.

**Prayer requests:**

1. *To do more for the Lord in 2019.*
2. *Pregnancy of my wife.*
3. *More churches to support us.*
4. *To establish us in the city of Queretaro.*
