Testimony of Robin:

Robin is a young man that dedicates himself to cut hair. I met him about 6 years ago because he is the one that cuts the hair of my son and mine. Since I met him, I spoke to him about Christ and invite him to church. Thanks to God about a month ago, when he finish cutting my hair, he asked me about the church and told me that he wanted to come. I was doubtful a little but I gave him the address, the hours and prayed for him to come. It was about 20 minutes before the service started and he gave me a call. He told me that he will come to church together with his wife and his two children. Thanks to God they came and now they come with us. What a blessing to see how God does HIs work and it is a blessing and encouragement for us as missionaries.

Winning souls we have found people that have been saved already and have come to church and are congregating. These are some photos of people that in these two months they have been added to the church.

In the month of November, we finished with our mission conference. God worked in a special way. We formed a choir with some teens of the church. The brethren are very encouraged to pray and give for the mission work. It is a blessing also to see how God is using this church to be a blessing to other missionaries to support the work of God.

The church thanks to God is well and like any place there are battles and victories, but the work keeps on and we continue with the mission that God has commended us. We are anticipating and preparing to receive the following year with new challenges and plans to keep advancing the work of God.

I thank each one of you for your enormous commitment for the missionary work. Thanks for your prayers and for your financial support. I love you and you are present in our prayers. Receive a greeting from all of us from the Dominican Republic.

Prayer requests:

1. For provision to finish to renovate the passports of our children.
2. For a family request.
3. Wisdom to take decisions in the family and ministry.
4. For the grace of God in the church here in this country.

Thank you much to each one of you for your fine attentions for this letter. We leave you, the Lopez Santibanex Lopez family

God bless you.
