Dear Brethren,

In two years of preaching in the city of Izucar of Matamoros, Puebla, I enjoy the blessing to see my sheaves for the Lord. 30 brethren decided to give their lives to serve the Lord during our second anniversary conference. Glory to God!

The conflict here in the neighborhood where we are working has diminished but even in the beginning of February during a Conference, they were cursing and they put a sound system up so we won't hear the preaching, but God has given us grace. I came to live among them with the intention to pray for them and reach them. We are paying 1500 pesos monthly for a rented house next to the property that we rent to have the church services.

We keep preaching on the radio on Mondays and Tuesdays. We are praying so we can have the resources to preach daily. The ½ hour program cost us \$250. We know that many of the people in the small villages hear us because they are the ones that run us away when we knock at their doors. Six students from the institute are going through their 5th semester and six students for the 1st semester. They work in the different areas of the city evangelizing and passing out tracts and in the marketplace on Monday. We are praying for God to supply for the buying of a property that costs 400 pesos a square meter. We invite you to participate in a square meter.

The attendance of the church has increased and I am still going to the city of Mexico City to preach to my sending church every 15 days. My children study at home and other children are ready to be added in the next school cycle as we have open our circle of studies of INEA (National Institute for adult education).

Dear brethren, I ask that you keep praying for us and don't stop helping us financially. God knows that everything that we receive is being invested in His work and there are things that we can do if our support is increased. In fact, we have needs of eye glasses, for my son, my wife, and I as well as dental services.

Thanks much for your love to the work of God and your servants. We also love you and are praying for you.

God bless you abundantly.

In Christ,

The Garcia Family
