March, 2012

Dear Brethren,

Thanks to God for all His love and His mercy and thank you pastors and churches for all your help in this ministry here in Honduras. Thank you for your support that you send faithfully every month.

These past months God has been so good with me and my people here in so many ways and he is still doing more. Many prayers have been answered.

My family is doing very well. Our baby boy is nine months old already and God has blessed a lot.

We are visiting a new area preaching the Gospel and bringing people to the church. It has been a lot of sacrifice but we are watching people saved and coming to church. In the past three months we have seen about 60 professions of faith and kids are coming faithfully every Sunday morning. We want to do much more here in Choloma. God is opening doors to preach in different places and we are excited about this.

We are still working with Brother David Perryman at the Children's Home and other ministries. Every Sunday morning we are having a very good group of kids, about 70 to 80 kids on Sunday morning and on Sunday night about 40 and growing.

We are fixing our Sunday school rooms. We need to get some chairs and tables for our kids so please pray for that. In this month, someone broke into the church and stole all the chairs we use in the Sunday school classes, the sound system, microphones and a few cables. We are working on the gates and doors to make it more secure. We are feeling how the crime is increasing in this area.

We had a very blessed service on December 31st; as every year, we had a dinner to receive the New Year at the church.

I really want to thank every church that has helped me to buy the bus. Thank you for your support and your prayers. You are not wasting your money here helping to spread the Gospel at each place here in Honduras. This will be hard without your help to keep helping people here in Honduras. Still there is much more to do and we trust God will help us to keep working for Him.

God Bless!
The Zavala's
