Dear Brethren,

It is a great blessing to write to you about the blessings that God is doing in this work. Thanks for your support and prayers that makes this possible. Thanks to all the churches, pastors, and congregations in general that support us faithfully. Thank you very much for your efforts because it is a blessing.

In the month of April, Evangelist Anthony Jones of Iglesia Bautista de Calvario of Florida was visiting our country, presenting a movie about Jesus Christ with the end of giving out the Gospel. This was done with different Baptist churches of our denomination that resulted with more than 60 saved. We had the opportunity to have them in our church and we had 6 saved. One of them was a young lady of our church and for more than a year we have prayed and tried to witness to her many times but Glory to God she has received Christ as her Saviour.

In the month of May, we celebrated Mother's Day in our church. We had a good time. Each mother received a small remembrance on behalf of our church. Our teens worked to fix a part of the room in where we met to take photos with their family. We had an attendance of 60 and 10 visitors and we had 2 saved at the end of the service.

We also received Bibles that were given to us during the Jubilee Conference in Honduras. The border patrol detained for a while due to tax problems and declaration of articles but at the end the problem was resolved and after we paid the taxes the articles could enter into the country. With this opportunity I want to thank the brethren that made possible the sending of the Bibles to all the pastors in Honduras and in El Salvador.

Please help us pray for:

- Workers (Sunday School teachers, bus routes)
- 1000 saved this year
- 100 in attendance this year
- Financial support
- Laptop
- Printer

In Christ,  
Pastor Julio A. Marroquin
