Dear Brethren,

Again I greet you from San Martin, desiring many blessings of our Lord Jesus Christ. Our God has been very good. We have gone to the streets and the houses and preached the blessed Gospel of Christ. The result is that there is a new family that has been visiting with us. Many have been evangelized and I have found that many people that say that they go to a church from the many of this municipal don't know about their salvation. God has given us that privilege of helping them and teaching them the Bible.

I ask for your prayers for this wonderful work that has been commended to us for our Lord and Saviour Jesus Christ and for our financial support because the financial situation in our country has not been very good and our financial support only supplies us for 15 days of the month and then God knows how we are passing through. In spite of that, our faith keeps us going and if that is the price, I praise God for the great privilege to serve Him and keep being faithful.

Your Servant in Christ,

The Perez Family
