Pastor and Church:

It is a privilege to greet you one more time desiring many blessing from our Saviour Jesus Christ and at the same time to be very grateful with Him for His care toward us.

Thanks, beloved brethren, for your prayers in favor of your servants and as well very grateful for your faithfulness to the work concerning your offering month after month. Our good God bless you and supply each need to each one of you, which is our prayer.

Thanks to God the work keeps on. The brethren keep faithful serving the Lord. We keep knocking doors and leaving the message of salvation to the people that don't have Christ, so He can do the work for salvation in their hearts.

Since we have come to this place, we have been working with children in Bible clubs, Vacation Bible schools, and Sunday Schools. God has given us the privilege to guide many of these children to Christ. Many of them have already believed. Sadly about a year ago, a girl that we brought to Sunday School got sick to the point that she lost her mobility of her body and be dependent of her grandparents. Sadly due to the sickness that she battled for a year, she passed away. What makes us happy is that we came to our Sunday School and at the age of 5 years old, she heard the plan of salvation that each child received in each teaching. We are sure that she was one of the small hands that were raised to receive Christ as her Saviour. We are satisfy and encouraged to keep taking the Gospel to these innocent hearts and we are sure that we will see her one more time in Heaven. Her name was Micaela and she got to the 8 years of life. We miss her in our children's services. Please pray for her grandparents whom reared her. They are called Micaela and Diego and her father is Alberto.

God has been good with us and we are sure with you also, my beloved brethren. My wife was operated and she is recuperating. Thanks to God for your provisions. Please keep faithful to God in support HIs work and being part of San Martin, place where God has put us for His honor and glory. We ask your prayers for our ministry, my family, our financial support, and people saved to be added to the work of God. Thanks, beloved brethren for all.

Your servant in Christ,
