Dear Prayer Partners,

Greetings in the name of our Lord Jesus Christ. I wish you the best and everyone in your ministry for the New Year. May God continue to bless all year long.

I want to thank each and every one of you that put a smile on my face for the love offerings that you gave me while I was in the USA...**thank you so much.**

Let me just tell you of some of the things that we are doing here in Guyana for the Lord. We have three (3) ministries. Our main ministry is at Kane Ville East Bank Demerara. Pastor Ram Angad is our head pastor and my son Rolston is in charge of the ministry at Soesdyke East Bank Demerara. I am also working along with him. Pastor Mangroo is in charge of the other ministry. We all work as a team in each one of the ministries.

Pray that God provides us with land so that we can construct a building for our ministry. Also pray that God provide us with our own transportation. We really need that. Our ministry started on January 24th, 2013. Please pray that God provide all of our personal support so that we can do God's work better.

May the Lord continue to bless you and your family and church families, so that you can always be a blessing to His people and missionaries and others who need help.

Looking forward to your full support. God be with you always.

Thank You, Thank You!

Gloria and Pedro Melville
