Dear Brethren,

December 2018

Greetings in the name of our Lord and Saviour Jesus Christ! I pray that all had a Merry Christmas and got to spend time with family and friends as we did. I hope you are as excited about the New Year as we are, as we look forward in anticipation toward what God has for us in the future. What a great month this has been. We have officially been a resident here for a year and what a year it has been. And education I could never put into words.

This month we had the privilege to secure a table at the local bazaar, which is a place for the locals to come to buy, sell, and trade among themselves, items they have made, including handmade, anything from food to wood carvings, to candy, to blankets, etc. an event held only a few times per year, one being at Christmas time, a place generally only for Tribal members, But God allowed us to secure a table on the day of the Christmas parade representing Echota Baptist Church. To make a long story short, we used this table to give out Christmas boxes which contained a Bible in each one, mainly for the children, but to anyone who wanted one. But the best part was that we were also able to give out over 500 tracts and several hundred Bibles. Only God allows these kind of things to happen. We had been praying that God would open up doors for us to give out all those Bibles that had been given to us this year (over 500), and boy did He ever. What a God we serve.

We also had some awesome Christmas services, with a number of visitors coming. We had a Christmas fellowship where a great time was had by all. Please continue to pray for us as we look forward to the coming year. If ever there is a time we can be a blessing, don't hesitate to call. If you come to town, stop by and visit.

In His Service

James & April

Dr. James Mills
