**Anniversary:** Thanks to God we had our fifth anniversary as a church established. A good time in our program: children, young people, and new couples. Also we had the missionary Habacuc Gonzales of Mexico.

**Church Work:** We keep advancing in the evangelism and teaching of the Word of God, evangelism in the houses and areas every week without stopping, the discipleship with the families, prayer in the homes, Bible schools in neighborhoods, and the Sunday School routes. The church keeps moving, we had in this month 28 visitors, 4 baptisms and 82 professions of faith. Glory to the Lord.

**Missionary work:** We started helping in opening a work in a city called Barrancabermeja about 3 hours of Bucaramanga. Last month, more than 100 people met in a community house. The purpose is to leave a base for a Mexican missionary that will soon come.

**Ministry, children school extension:** We started a Sunday School extension in a neighborhood called Villas de San Juan. We had an average attendance of 40 children among the ages of 6 to 13. There is another extension in another neighborhood called Castellana with 12 children and in February we started another extension in a neighborhood called Brisas. Thanks to God we have started stop see parents come to church.

**Theology institute:** This year we continue with the second year of Theological institute. This year I had the help of professors of Panama. They don't come here but give class in semi-presence directly from Messenger (not recording). I want to share this because I am requiring of the help of professors that can help dictate a class in this year 2019. Through this email, you can announce if you can help with this, it can be you or a professor that your recommend. There are four students this year. One more time help us with these students that are the future of our church and country.

**Prayer requests:**

1. For the country of Colombia so the Lord can open doors and add more workers to His harvest.
2. For health, strength and grace of God in our lives.
3. For provision for the property and construction.

I want to express our gratitude to each one of you that pray for my family and to put in their heart the burden for the Gospel in Colombia. God reward you in a great way.

Your servant in Christ,  
Jose Morales and family
