Appreciated Pastor and Church:

We are grateful to our God for the privilege to give us to serve Him here in Colombia. By His grace we have seen how God added those that have been saved. Also we are thankful for the churches for their prayers and financial support.

**MINISTRIES**

Soul Winning  
Church Planting  
Discipleship

The missionary work doesn't finish because we have great responsibility. That is the reason I ask your prayers in favor of us. We keep advancing in evangelism and the teaching of the Word of God, evangelism in the homes and areas, every week without stopping, the discipleship with the families and the leadership courses.

Ministry in the area of children. In the month of October we started a Sunday School extension in a neighborhood called Villas de San Juan. We have an average attendance of 40 children among the ages of 6 - 13 ages. They live in a neighborhood of much need. I ask your prayers for them. We are trying to get a fund to give them toys to the children of the new extension of Sunday School. That is the reason we make an invitation to collaborate to be able to give a small gift to a boy or a girl! Adopt a child!

Theological Ministry Institute: Since we came to Colombia we had a plan to start an institute and thanks to God we started this year 2018. It is three years of study to graduate, the first year is Bachelor, second year is leadership and third year is pastoral. This past Sunday, we celebrated to recognize three young people that received their first years of institute and received a certificate of Theological Bachelor (Sister Angie Bello - Colombian, Edwin Venegas - Venezuelan, and Raul Morales - Panamanian).

This year I had the help of some foreign professors. They don't come here but they give the classes directly in a semi present (not recorded) from Messenger. I share this because God willing I will require the help of professors so they can dictate a class in 2019 from their country. Please by the month of January you give me some response from this type of help.

**Prayer requests:**

1. For the country of Colombia so the Lord can open doors and add more committed workers to His harvest.
2. Health of my family, strength and grace of God in our lives.
3. For provision for the property and construction.

We are very grateful with you for letting us represent you in Bucaramanga as your missionaries. Thanks to each church that help us with their prayers and financial support. May God reward you in a very special way.

Your servant in Christ,
