Pastors:

Blessings: that the grace of our great God and Lord Jesus Christ be with all of you always.

We have been praying for the mission agency so God can provide and so we can be blessed also. This month we have tried to keep doing the work of which we have been commended. It hasn't been easy. The majority oppression has been the economical because I don't count with a economical support for my family. We ask your prayers so God can provide \$260 dollars to pay the rent of the house where we have the ministry because we have gone behind with three months and they want us to pay.

Thanks brethren for keep supporting us not only with your prayers but also financially.

Prayer requests:

For financial support for my family and health

For the monthly payment of the house of the temple

For new believers

For a property for the church

For a transportation for the church
