Dear Fellow-Laborers,

I want to thank those of you that gave to the Filipino Children's Christmas Fund. I sent \$1,300.00 to buy a gift, an apple, a pair of flip flops and feed around 1000 church children. This may not sound like much to us but it is a big Christmas to these children and they look forward to it each year. You made the children at over a dozen churches happy and they got to hear about Jesus.

2017 is over and several hundred souls were saved at the churches I am helping. We finished the construction of the church building at Dingalan. I am so amazed at the blessings God has given me for the ministry He has entrusted to me. Because the U.S. dollar converts to more Philippine pesos each year, we are still able to build a nice church building for \$7,000.00. God has given me the funds to build 22 church buildings in the Philippines. There is presently five churches meeting in rented buildings that are not appropriate or too small. Pray that God will provide the funds to build a church building for each of these churches. There has been around 12 churches in the U.S. that have given the money to build one or more church buildings in the Philippines.

I will be going back to the Philippines in a few weeks. A pastor friend of mine will be going with me. Our days will be filled with preaching and soul winning. Pray that God will bless the trip and that many souls will be saved. I have the plane ticket but as of now I have raised only \$50.00 for the expense of the trip. If you can help, send the money to FBHM P.O. Box 1510 Bessemer City, NC 28016.

Needs:  
Church Buildings \$7,000.00 each  
Tricycles \$1,250.00 each
