Dear Co-laborers,

A few weeks ago I was able to send \$7,000.00 for another church building. The church will be named after the sponsoring church, United Baptist Church. This is the 2nd church building in Dingalan where we have our camp.

The church was organized a few months ago and land was donated by one of the church members. I have received another \$2,500.00 for a church building. If a church would like to donate \$4,500.00 to go with the \$2,500.00 I already have, we can probably name the church accordingly. I have sent the money for 22 church buildings in the Philippines and many of them are named after the American church that gave the money. God has been so good to us in providing the money. The Lord never ceases to amaze me.

Last week God gave me the money for a tricycle to transport people to church. I can purchase a new tricycle for \$1,250.00. The motorcycle with a side car can transport 10 to 12 people per trip. God has given me the money for around ten of the tricycles in the last few years.

In my last newsletter, I ask for the money to purchase bibles. I want to thank the churches and individuals that gave me the \$700.00 for bibles. I need many more bibles. All contributions need to be send to my mission board and specify what the money is to be used for. I want to thank the churches that help us with the needs over the years.

Pray for us always.
