HOME CHURCH

Unity Baptist Church
Shelby, NC
Pastor Chris Little

I recently returned from the Philippines. Pastor Mike Rice of Midview Baptist Church in Kings Mountain, NC accompanied me on the trip. While having an outside bible study in a village we noticed a girl come to a well where we were sitting. She pumped several buckets of water and carried the water home. We were told that some villagers have to walk a mile or more to get fresh drinking water. I ask how much it would cost to dig a well and install a manual pump. We were very amazed to find that a 60 foot well with pump only cost around \$175.00. We begin praying that God would supply the funds to dig a well at each of the 24 Church buildings I have built. God has blessed us with the money to dig over 20 wells. Several are completed and the remainder will be completed within a month or two. I preached at a dedication service at one of the church buildings completed in December.

There were 60 or more in attendance at the first meeting in the new building. God blessed the service with 10 souls being saved. There were over 60 souls saved at the church meetings and bible studies we preached. God has blessed the churches I am helping with over many souls saved in the last few years.

At some of the meetings we gave bibles to those that did not have a bible. God has given me the money to purchase over 300 bibles. We can get a bible in the Philippines for about \$3.00. I need to purchase many more bibles and need to dig many more wells. If you or your church would like to help, send your money to FBHM PO box 1510, Bessemer City, NC 28016. Please specify Philippines Bibles or Philippine Wells. Please pray that God would continue to supply the needs and that many souls will be saved.
